

GT2 Belt Tensioner for Drawbot & 2020 Profile Laser Engravers

VIEW IN BROWSER

updated 15. 9. 2020 | published 15. 9. 2020

Summary

It's exactly what the title says.

It's exactly what the title says. If you like it feel free to leave a comment or buy me a "coffee": https://www.buymeacoffee.com/redangel1984

You just need:

1x M3 Square Nut (trimmed like in the pic and)

1x M3 Screw of your desired length (I used M3x30)

Print instructions Print Settings:
